4/26/01

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action mailed October 20, 2001, please amend the above-identified application as follows. A petition to extend the time for response for three months, from January 20, 2001 to April 20, 2001, is submitted herewith (in triplicate).

IN THE CLAIMS:

Please amend claims 1-3 and 12 as follows:

1. (Amended) A method for reducing a condition associated with fetal alcohol syndrome in a subject who is exposed to alcohol *in utero*, the method comprising administering to the subject an ADNF polypeptide in an amount sufficient to reduce the condition associated with fetal alcohol syndrome, wherein the ADNF polypeptide is a member selected from the group consisting of:
